

Ladies and gentlemen,
dear friends,

We would like to present you our BuddhaGarden 2015 at the Landesgartenschau (state garden show) in Landau, Rheinland-Pfalz, Germany. Please see also:

<http://lgs-landau.de>

Our Himalaya Projekt e.V. is responsible for the Buddha garden project. It is our intention to use the Landesgartenschau to promote our activities in the Nepalese Himalayas and to present the Buddhist culture of this region. Also, we would like to introduce the Karmapa International Buddhist Society Europe (KIBS, <http://www.kibsociety.org>). 17th Gyalwa Karmapa Trinley Thaye Dorje supports our project and kindly gave his blessings.

The organizers of Landesgartenschau expect about 800,000 visitors. We will offer a special programme: Himalaya days, lectures about the Buddhist Nepalese Himalayas, about Buddhism, about Tibetan Buddhist medicine. Among others, we also plan performances showing Mahakala Lama dances of our Karma Kagyü Lamas from Pokhara, Nepal.

We also wish that Venerable Dupsing Rinpoche, Ven. Shangpa Rinpoche together with Lama Ole Nydahl inaugurate the Buddha garden on 1st May, 2015. Following this, there will be an opening programme which will last until 4th May. Please feel cordially invited to this event.

A first flyer offers more information about the Buddha garden project and invites you to support this project (see pdf file) on our website www.buddhaheilpflanzen.org

Afterwards, the Karma Kagyü Mahakala Lama Dance Tour 2015 will start, visiting the following cities: Landau in Pfalz – Germany, Boppard am Rhein - Germany, Geislingen a.d.Steige - Germany, Berlin – Germany, Denmark, Budapest and Tar in Hungary, London – UK. The infos and updates for this tour you can find here:

Right now, we still need support for the travel expenses for the Mahakala Lamas from Nepal to Europe and back.

If you feel our important project is worth of your support, please grant us your donation, mentioning "Mahakala dancers" as reference in your bank transfer and please write a message to anna.elisabeth.bach@web.de
